Sand Volleyball in Stretch Drive

We are down to the last three weeks of play in the Lancaster Parks & Recreation women's outdoor sand volleyball leagues. All divisions are setting themselves for exciting runs to the end of the year as the playoffs are just around the corner.

"A" League: The division leader Spritzers open up a little breathing room with a three to zero sweep of Frank's-Smith. The Polish Falcons move into fourth after a two to one win over Fireside Inn-Terranova. Frank's-Gorski holds onto second with a two to one win over Green Buffalo Pub.

"B" League: Division leader At Your Fingertips has a tough set in a two to one win over Fireside Inn-Kugle. Smith's Gun Shop is a game behind the leaders after a three to zero sweep of the Basil Ford Outlaws. Simme's Village Pub holds down fourth after a two to one win over Frank's Golden Babes.

"C" League: Division leader Frank's-Retzer is still perfect for the year after a three to zero sweep of CLC&Co. The One Hit Wonders have a good evening with a three to zero conquest of the Nite Crew. At Your Service holds down third after they defeated the Red Ultras two to one.
